Perspective Plan
2018 to 2023

INTRODUCTION:

Arts and Science College Sawarde was established in June 2001. It is one of the most prestigious colleges in the area. It is affiliated with the University of Mumbai. The college offers undergraduate education through B.A., B.Com, and B.M.S. degrees. Sawarde is a small town located around 20 kilometers from Chiplun and approximately 75 kilometers from Ratnagiri District. This town is well renowned for Alphonso mangoes and cashew trees. The college has an excellent infrastructure, including a large building with several classrooms. Free internet and Wi-Fi, Computer Lab, Library, spacious multipurpose hall, and Girls' Special Rooms, The College has qualified and experienced staff. It is prestigious for us that our faculty members have successfully and actively participated in University level activities.

The academic reputation of the college is very remarkable. For the last five years, our students have shown outstanding performance in the College and University activities. The students have earned significant achievements in sports and cultural activities at University, state, and national levels.

As a part of social responsibility, The College conducts extension activities in the surrounding area. Blood donation camps, Awareness rallies and lectures, health checkup camps, gender equity programs, and support to the needy and deprived classes of society.

It is a proud feeling for us that during the last 22 years, the college has succeeded in creating its good reputation and all-round development due to the enlightenment and motivation from the parent institute, Sahyadri Shikshan Sanstha Sawarde and the generous supportive people of Sawarde.

Vision:

The college is committed to impart quality, activity-oriented and value based education to all, especially to the rural, hilly regional and socio-economically deprived students, to make them self-reliant and responsible citizens of the nation.
